

Academic Coordinator of Clinical Education

FACULTY OF REHABILITATION MEDICINE
DEPARTMENT OF OCCUPATIONAL THERAPY

Applications are invited for a full time academic position of Academic Coordinator of Clinical Education at the University of Alberta, Department of Occupational Therapy, commencing immediately.

Ranked as one of the top occupational therapy schools in Canada, the Department of Occupational Therapy is poised for continued growth. Newly-allocated funding has resulted in increased enrolment and expansion in program delivery methods. As part of the Faculty of Rehabilitation Medicine, the Department offers an entry-level MSc degree in Occupational Therapy and participates fully in interdisciplinary MSc and PhD degree programs in Rehabilitation Science. The Department currently consists of 20 full-time faculty members.

This Assistant Professor clinical-track position is responsible for providing leadership, role-modeling for students and managing the clinical education team. This includes developing, coordinating and overseeing the day-to-day operations of the fieldwork curriculum for approximately 500 placements per year for students registered in the entry-level MSc OT graduate program. Candidates must possess a minimum of an entry-level OT degree with at least five years clinical experience, Masters degree preferred. Clinical supervision experience is an asset. The successful candidate will be required to register with the Alberta College of Occupational Therapists. Some teaching at the graduate level will be required. There will be opportunities to engage in scholarship related to clinical education. Minimum renewable 3-year appointment. Salary will be commensurate with experience.

Qualified applicants should send a curriculum vitae, a statement of teaching and clinical experience and the names of three (3) referees to:
