

UQTR

Université du Québec
à Trois-Rivières

UQTR (Université du Québec à Trois-Rivières) is a young university with a highly personal environment, firmly focused on scientific research. With its 200 programs of study, including several that are unique to Quebec and Canada, UQTR stands out for its dynamic community and the expertise of its faculty.

Tenure-Track Position in Occupational Therapy – Adult Mental Health

The *Département d'ergothérapie, Université du Québec à Trois-Rivières*, invites applications for a tenure-track position in Occupational Therapy – Adult Mental Health, subject to approval by the relevant authorities. The appointment will commence on **July 1, 2014**, or as agreed upon with the University.

Duties:

The successful candidate will be engaged in teaching, research, and service to the community, and will provide pedagogical direction.

Qualifications:

We seek an individual who holds a PhD in Clinical Science OR Biomedical Science OR a related discipline as well as a bachelor's degree in Occupational Therapy. Professional experience in mental health is essential. University teaching experience is an asset, as is experience in supervising graduate students. He or she must be a member in good standing of the *Ordre des ergothérapeutes du Québec* and of the Canadian Association of Occupational Therapists.

Knowledge of French is required for this position.

All qualified individuals are invited to apply; however, priority will be given to Canadian citizens and permanent residents.

Other information/How to apply:

For a full job description (in French) and application details, please visit our website at www.uqtr.ca/postesofferts

Closing date: Only those applications received by **5 p.m., May 30, 2014**, will be considered.
